GLENN SPRINGS

The History from Its Discovery to the Present

By J. H. HARRIS

It was in the year 1880 that the discovery of the mineral waters of Glenn Springs was made. The discovery was made by a party of men who were exploring the country for the purpose of finding a place where they could settle. They found a place which was very healthy and pleasant, and they decided to settle there. They found a place which was very healthy and pleasant, and they decided to settle there. They found a place which was very healthy and pleasant, and they decided to settle there.
