

Monday Morning, Dec. 15th.

Mr. B. Arthur Bolt, One of the Students of the South Carolina College Passes Away.

Yesterday morning just as the sun was rising above the horizon, the sun of the life of Mr. B. A. Bolt, a student of the South Carolina College, a member of the freshman class and right guard in the game of football between Carolina and Clemson, went down never to rise again. He died in the College infirmary in the presence of his aged mother and matron. He had a severe case of typhoid fever, which his father thinks was contracted at his home in Laurens county. He was attended by Drs. Taylor and Talley.

Mr. Bolt was about 25 years of age and was very popular with all who knew him. He was a devoted Christian and adhered to the Methodist persuasion, being a member of that church for several years. He showed great Christian resignation all through his illness and when his end came he seemed to fall into peaceful slumber. He will be missed by his class mates and by all who knew and loved him.

Mr. Bolt's father and mother came here about a week ago, but his father went back home and his mother was the only one of his relatives who was with him. He was well cared for by the matron and students, some of whom set up with him every night.

It was sad to see the grief-stricken mother as the body was taken from the infirmary to the station to be carried over the Columbia, Newberry and Laurens road to the old home of the deceased, where it will be interred to-day. The body was accompanied to the depot by the faculty and students, the president and his wife heading the procession.

The pallbearers were Messrs. G. P. Logan, W. S. Hogan, N. W. Brooker, A. D. Webster, A. H. Brooker and G. L. Johnson. Messrs. J. J. McSwain and A. M. Cobb accompanied the remains to Laurens. The funeral party left at 11 o'clock yesterday morning.

All college exercises were suspended yesterday on account of his death.—The State, 9th., Inst.
