

**State Teachers' Association.**

The twenty-eighth annual meeting of the State Teachers' association will be held at Harris Lithia Springs, July 14-18, 1899.

All white teachers, county superintendents, trustees and friends of education are cordially invited to attend the sessions, and to become members of the association. The membership fees are one dollar for men and fifty cents for women, payable to the treasurer at the annual meeting.

Representatives of the press will be heartily welcomed, and furnished with every facility for reporting the proceedings.

Mr. Harris, the proprietor of the Springs, has offered board to the members of the association for \$1 per day, and those who care to remain at this health resort after the association adjourns can stay at the same rate. Transportation from depot to Springs and return 25 cents. This offer is made only to members and guests of association and the husbands and wives of the members; so, all attending this meeting should enroll promptly and obtain certificates of membership from the secretary, else they will be expected to pay regular rates of board.

Those who expect to attend should notify Mr. R. L. Fox, Harris Springs, S. C., several days in advance, so that all arrangements for transportation, etc., can be made beforehand.

Program of the meeting can be had by addressing the secretary, L. W. Dick, Aiken, S. C.

Special rates for the round trip have been granted by the railroads. The rate from Sumter will be \$4.10.

It would be well for those who contemplate buying these special tickets to see that the local agent has his instructions and ticket in time, as mistakes have frequently occurred in the past, owing to failure of station agents to get requisite orders concerning sale of these tickets.

Tickets to the meeting of the State Teachers' association at Harris Springs will be on sale July 13th to 17th, final limit July 21st. Tickets one first class fare for round trip.
